

THE ITEX MOBILE APP IS NOW HERE

The Power is now in your hands. You now have the power to do business with anyone you want as part of YOUR ITEX network. No more having to wait for someone to have time to get on the website or schedule a meeting with the office. All you have to do now is simply open the app, put in basic information, such as Name, Phone number, Email address and hit INVITE. It will send an email to them. They hit accept and you now can do a transaction together right then and there. Instant Gratification and all Association fee's waived for 3 months. WOW!!!!

Have you even been out and did NOT have your Check Book or account number with you???? You will never have to worry about that again. You open the App, Hit ITEX Pay, type in the Name of the account you need to pay, Hit search and choose the account and hit make a payment! It is that simple.

The other functions will allow you to see your account at any time. How much you have, How much has come in and how much have to spent. The Directory will allow you to see any ITEX member in our area (unless broker managed), as well as when you are traveling. The GPS in your phone will find where you are and what members you can do business with in that area.
