

# **Invite Incentive Program**

We strive to make our Marketplace a vital tool for your business. Use our Invite tool, add the people YOU want to trade with, and we are here to make it worth your while:

*3 for 1*

For each business you Invite that joins, we will waive 3 months of your Association Fees. It's that simple.

Invite someone today using [itex.com](http://itex.com) or the ITEX Mobile app and start saving now!

We will contact the business, let them know you sent us, and help them get started as an ITEX member. The best part? As soon as they sign up, they are eligible for the program as well! Happy trading!

Terms and conditions apply. Please call or email your local franchise office for more information.
